## About This Game

Leave your fear of heights outside and get ready to experience thrills like never before. **RideOp – VR Thrill Ride Experience** brings you the ultimate ride experience. Explore an **immersive 360 degree view** while riding **some of the world's most impressive attractions**. Fully animated and beautifully rendered for VR, our three attractions will give you an experience out of this world without leaving your room.

- No lines: Get front row seats in three fully recreated attractions. With **accurate physics and animations** that match their real life counterparts.
- Optimized for VR: With your **HTC VIVE or Oculus Rift** headsets you will feel the movement and height in beautiful 3D and 360 degrees around you. Look around in any direction.

Our ride list includes:

- **Star Flyer:** Soar the skies 80 meters above the ground while you spin around and enjoy the view.
- **Sky Swat:** This impressive structure will put your body to the test with its incredible amount of G force while you go upside down again and again. This ride is INTENSE.

- 
- **Insanity:** A one of a kind wonder and one of the highest rides in the world. Hanging from a 300 meter tower, Insanity puts you facing the ground while it spins at high speeds. Will you dare to look down?

Maybe the most important feature of them all: It is **FREE!** So what are you waiting for? **RideOp – VR Thrill Ride Experience** is waiting for you!
